OVERALL COMPOSITE SATISFACTION GROWTH

OVERALL SATISFACTION GROWTH

Over time, Sakai has sought to meet the ever-changing needs of educators. Sakai welcomes feedback directly from teachers, technologists, and learners and uses these insights to constantly focus on teaching innovation and enhance usability. Expert LMS reviewers have considered Sakai best-in-class since 2019.

CONTINUOUS IMPROVEMENT

As an open-source platform that thrives on feedback from university teachers and students, Sakai remains the best LMS for learning. Sakai's open three-year roadmap inspires ongoing, strategic innovation in online teaching and facilitates truly great learning experiences.
